### **International and Local Achievements**

- 2014-2015. Chaired the Committee of the Master Program in the Department of Mass Communication, Qatar University. It was my responsibility to lead the joint work of the committee. The committee task ended with formulating four tracks: 1) Journalism 2) Strategic Communication 3) International Communication and, 4) Sports Journalism. The two-year Master meets the basic needs of media job market in Qatar and the region. The M.A proposal includes the feasibility study, the study plan, course description, mission and vision, , faculty requirements and financial aspects.
- 2013. As Dean for the International Academy for Media Sciences, I developed the study plan, the curricula and established a new track titled “ digital journalism”.

- 2013. I established a program of study under the title “ public opinion and political communication” at Future University, Egypt.
- 2013. I formulated a comprehensive code of ethics for Egyptian journalism as a mechanism for media-self regulation. The code has been discussed in a number of seminars organized by Supreme Press Council, Ministry of Information, Press Syndicate and a number of private media in Egypt.
- 2013. I developed the first numeral scale to measure Journalism Ethics Violations according to it 18 newspapers content was evaluated.
- 2008. I was selected as the Chairman of the Swedish-Egyptian Committee for Journalism and Communication Curricula Development Project. The joint project conducted between the Swedish International Development Cooperation Agency **SIDA** & the Swedish Institute for Further Education of Journalists **FOJO** and the Faculty of Mass Communication at Cairo University. The project focused on a) media literacy, b) Journalism education curriculum development, c) Youth media production workshops, and, d) Media and human rights textbook.
  
- 2007-2009. As Dean of the Faculty of Mass Communication at M.S.A University I was responsible for most tasks and activities that led to the accreditation of the program of study by Middlesex University. My responsibilities include: Coordination with the program leaders, Link Tutors and all Staff members in the revalidation process, facilitating requirements for Mass Communication Faculty, managing student activities, staff issues, training and development, updating module materials and modules guides, supervising and implementing time- table and reporting to the President of MSA on staff affairs, student affairs and program of the study.
- 2006. Selected by the World Bank, UNESCO, and FAO to serve on the Steering Committee (StC) of the First World Congress on Communication for Development (WCCD) that was held in March 2006 in Rom, Italy. The proceedings of the congress can be accessed at :<ftp://ftp.fao.org/docrep/fao/010/ai143e/ai143e01.pdf>
  
- 2005-2010. As the Secretary General of the Global Communication Research Association and member of the International Organizing Committee of the Association’s conferences, I worked with the President of the Association and local organizers to promote the conferences’ call for papers; preparing the academic programs of the conferences, organizing the business meetings of the Executive Board and other organs of GCRA. I also had a role in the inaugural proceedings, presenting keynote addresses at the opening sessions, chairing many panels in addition to the final session of the conferences.
- 2003. Selected to serve as a member of UNESCO panel for the preparation phase of the World Summit on Information Society (WSIS) in 2002. The work responsibility includes taking part in preparing an action plan to be considered by WSIS that has been held in Geneva December 2003; conducting a research paper on: Information and Communication Technologies in the Information Age: Opportunities and Challenges for Cultural and Linguistic Diversity. My contribution as well as others’ works are published at <http://www.unesco.org>

- 1998. Selected to review a textbook entitled “Principles of International Journalism and International Information Exchange” to be taught in Arabic, English, and Russian languages in the College of Journalism, University of Merzah, O’zbekiston.

### **Master Program Students' Research: (Selected Examples)**
